

**Bulletin Announcements
Live On September 2017
Texas Louisiana Gulf Coast Synod
(Bulletin Announcements for Churches hosting board member presentations)**

#1

Built with generous gifts from congregations and faithful Lutherans, **Live On**—the Gulf Coast Synod’s endowment fund—earns interest to support future pastors so they complete their seminary studies without taking on new debt, provides funds to campus ministry, helps plant new churches and encourages innovative ministry projects. Please give to Live On during September.

#2

On <date to come>, a member of the volunteer board of **Live On—Funding Lutheran Leaders** will join us to share the goals and aspirations of the Gulf Coast Synod’s endowment. Live On focuses grants on four areas: Financial support for future pastors during their seminary studies; campus ministry; planting new churches, and grants for innovative ministry projects. An offering during September is our donation to this worthy cause—growing leaders for the future. Please meet and greet the representative of the fund so we can learn more about the fund.

#3

Over the next few weeks—during **Live On September**—we will prayerfully consider our responsibility for a strong synod endowment for growing leaders for the future. You have the opportunity to contribute during the month at Live On’s website, liveongenerously.org.

#4

Thank you for your contribution to Live On—Funding Lutheran Leaders. Your donation will support seminarians, campus ministry, new mission starts and grants for innovative ministry projects. If you would like to consider Live On in your will or estate plan, please contact the synod gift planner, Dr. Lizbeth Johnson. You can contact her at 713.775.1595 or lcjohnson@lfs.org. There is no cost or obligation for a consultation.
