

## Live On: Providing for a message of grace on college campuses

Across the Gulf Coast Synod—at Texas A&M University, Blinn College, Rice University, the University of Houston and Louisiana State University—Lutheran campus pastors are present for students who are making the transition to being adults, balancing future career and life goals.

Live On, the Synod's \$2.7 million endowment, provides funding for campus ministry alongside individuals, congregations and other Synod funds. Since it was established in 1999, Live On has made grants totaling approximately \$900,000 for campus ministry, seminarian financial aid, planting new churches and supporting innovative ministry projects.

**“A Lutheran approach to the world—centered in grace, nuanced in thinking, and focused on our neighbors—is absolutely compelling on a college campus.”**
